This Information Disclosure Statement is being filed after a Final Action with a certification as specified under § 1.97(e). Applicant requests payment of the fee of \$180.00 as specified under § 1.17(p) by means of the attached FORM 2038 and that the Examiner consider the listed documents and indicate she considered them by making appropriate notations on the attached FORM PTO 1449.

Based on reasonable inquiry, no document listed in this Information Disclosure Statement was cited in a communication from a foreign patent office in a counterpart foreign application, and no document listed in this Information Disclosure

statement was known to any individual designated in 37 C.F.R. § 1.56(c) more than three months prior to the filing date of this Information Disclosure Statement. Applicant has attached copies of the listed documents.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." Applicant further reserves the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

Respectfully submitted,
